I, \_\_\_\_\_, owner of \_\_\_\_\_  
have been made fully aware of the Rules and Regulations of Shadow Lake Village,  
stating that unit owners are responsible for the maintenance of specific interior structures  
of the chimney which require cleaning annually. I am also aware that our general  
insurance carrier, when preparing insurance for Shadow Lake Village expects that  
records be kept on file stating if and when chimneys were last inspected for fire hazards.  
I am signing this affidavit to keep on record that the chimney, at above address, has not  
been in use since January 1, 2007.
